Summary Report of activities under Community Action for Health

PERIOD: 20-02-2016 TO 31-03-2016

DISTRICT: TINSUKIA

DATE OF SUBMISSION: 31-03-2016

Introduction:

I have joined as a District Co-ordinator of Tinsukia District on 20th February, 2016 on this Community Action for Health (CAH) Programme of National Health Mission (NHM) under Zonal NGO-Scorpion and also my Block Facilitators of four blocks (Hapjan, Kakopothar, Ketetong, Na-Sadiya) joined on the same date.

Here is the overall experience in this period of Tinsukia District-

Trainings-

- a) 3 day training was conducted on CAH programme where District Co-ordinators and Zonal Co-ordinator of Zone No. - V received training conducted by Voluntary Health Association of Assam from 20-02-2016 to 22-03-2016 at NEDSF, Kharghuli, Guwahati.
- b) 3 day Zone level training was conducted on 10-03-2016 to 12-03-2016 at Hotel Ketekkee, Dibrugarh for Block Facilitators where the Block Facilitators took training on the CAH programme and the roles and responsibilities of Block Facilitator.
- c) Other than that informal discussion and meeting was being held at the month of February with my Block Facilitators and me about the CAH Programme.

Activities undertaken -

- a) Meetings with DCM by District Co-ordinator to know about the status of District such as VHSNC, MMR and IMR and to collect other information.
- b) Meeting with BCM by Block Co-ordinators at BPHC to collect information and to get guidance.
- c) Meeting with ASHA's in Sub-Centre, BPHC, home visit etc to know and collect information about the problems and also the VHSNC.
- d) Meeting with AWW, ANM, ASHA Supervisor, PRI members to gather information about VHSNC.
- e) Visiting Sub-Centre, FRU, CHC, AWC, PHC to gather information of ASHA, MMR and IMR, VHND, VHSNC and other information and advice.
- f) Attended few VHSNC meetings.

People's Response-

People response is very much good. From ASHA to ANM and other members are showing a helpful response to the Block Facilitators. They are very much excited to make a strong VHSNC to reduce the rate MMR and IMR.

Block Facilitators are very much energetic and hardworking in their work that after the completion of training it is seen that they are much enthusiastic. I think they will give their best to make this CAH Programme successful.

Difficulties and Challenges-

- a) Weather problems hampers sometimes in field visit mainly in Na-Sadiya Block.
- b) Transportation problem is not good always as the roads are in bad condition.
- c) Many VHSNC's are not working in full swing and are not regular in all the blocks.

Conclusion-

Working in CAH Programme of NHM under the Organisation-Scorpion gave me and my team members pleasure and enthusiasm to work. Our Zonal Co-ordinator Mr. Debajit Goswami Sir is very co-operative and helpful and motivate us to work in a disciplined way. I thank to my Block Facilitators who are very much supportive, co-operative and do their required duty well.
